Amid infra glory, Bulandshahr awaits prosperity

Record concrete laying on Ghaziabad-Aligarh Expressway speeds up road revamp

DHRUVAKSH SAHA

n the edges of a newly widened, jet-black lay-er of concrete on the highway, crossing Bulands-hahr in Uttar Pradesh, vendors and small shops went about their day in the scorching May

their day in the scorching May heat. The transformation has impressed those familiar with the highway, although some simply fear that they will fall by the wayside.

"This road used to be terrible earlier," a truck driver quipped. "Barely any lane space, frequent traffic jams and potholes all around."

The Ghaziabad-Aligarh Expressway, touted by Union Minister of Road Transport and Highways Nitin Gadkari as the key to unlocking the region's trade and commerce, is being widened from four to six lanes. widened from four to six lane

widened from four to six lanes.
Over the past four days, the
stretch on the outskirts of
Bulandshahr has been a site of
figorous work, amid a successful attempt to lay bituminous
concrete over 100 lane kilometres of the highway in 100
hours—an effort that earned
concessionating Outh Highways. concessionaire Cube Highways

concessionaire Cube Highway and their construction partner Larsen & Toubro plaudits from the Ministry of Road Transport and Highways.

"The Ghaziabad-Aligarh section of NIH-34, spanning IIB kilometres, plays a vital role as a transportation link between the densely populated regions of Ghaziabad and Aligarh. This profield Traverses various towns project traverses various towns and cities in Uttar Pradesh, including Dadri, Gautam including Dadri, Gautam Buddha Nagar, Sikandrabad, Bulandshahr and Khurja,"

Gadkari said.

"Anotable accomplishment on a very important highway route. It manifests the importance given to both speed and embracing modern methods for better infrastructure," Prime Minister Narendra Modi tweeted on Friday, after the two companies were felicitated by the India Book of Records.

The highway revamp

The highway revamp deployed the Cold Central

deployed the Cold Central Plant Recycling technology, where 90 per cent of the materials milled during the planning of the road were reused. "Work was undertaken on a mission mode with materials being transported from Indian Oil's facility in Mathura constantly to achieve this record," said an on-site executive of Cuhe Hiebways Cube Highways.

Cube Highways.

The expressway was earlier a sore point for both passenger and commercial riders. The recent widening and layering work offered a window of opportunity for small businesses in the area.

nesses in the area.
"Since the highway was in
a bad condition earlier, there
wasn't the kind of economic
activity that you would see on
a more prominent highway
like Delhi-Chandigarh.

Moreover, parts of the highway are also new alignments, while businesses are still on the old alignment," said a senior Cube

Highway executive. Small businesses along the

Highway executive.
Small businesses along the highway are sparse, with very few old establishments operating now. Most of them have been recently built in the hopes of a consumption boom.
"We have to complete the project by November, for whith we have to lay most of the groundwork in the coming moths itself. Once traffic increases due to the six-laning, we'll see increased economic activity along the highway, "Harikshan Reddy, CEO of Cube Highways, told Business Standard.
Meanwhile, the past year

Meanwhile, the past year has posed greater struggle for small businesses, as construction work led to lesser traffic. While the overhaul is eagerly anticipated by many, some vendors aren't too hopeful.

"With traffic moving at a moderate pace, people would stop by at small shops and tea stalls like ours. When a highway achieves high speed, people stop at big clusters of way-ple stop at big clusters of way-

ple stop at big clusters of way-side amenities. It's usually bad news for small establishmen-ts," rued the owner of a dhaba.

Bill to protect documented dreamers tabled in Congress

PRESS TRUST OF INDIA Washington, 19 May

A bipartisan group of law-makers has introduced legis-lation in the US Congress that proposes protection to chilproposes protection to con-dren of documented dreamers, a significant majority of whom are Indian Americans, from self-deportation after turning 21 years.

Long-term visa holders known as documented dreamers, who are estimated

to be about 250,000, grew up legally in the US but risk deportation when they turn 21 years old.

21 years old.

The current system forces documented dreamers to leave the US and return to their country of birth, robing them of their future and livelihoods in America.

Introduced in the House of Penrescriptives and the

Introduced in the House of Representatives and the Senate, America's CHIL-DREN Act would allow individuals to obtain permanent residency if they were brought to the US as dependent children of workers admitted under employment visus, have maintained status in the US for 10 years (including eight years as

status in the US for 10 years as dependents), and have graduated from an institution of higher education.

It would also protect any child who has been in the US for an aggregate of eight years before the age of 21 as a dependent of an employment-based non-immigrant by allowing them to remain dependent on their parent's non-immigrant visa until they can find another status.

The Bill, among other things, establishes age-out protections that lock in a child's age on the date of the

protections that lock in a child's age on the date on which their parents file for a Green Card and would pro-vide work authorisation for individuals qualifying for age-out protection.

Domestic travel surge continues

As the summer sizzles, Indians are preparing for holidays with 82 per cent of them intending to travel during this season making Manali and Goa as their favourite hill and beach destinations respectively, according to a survey by Hospitality technology firm, OYO.

According to OYO'S Summer Vacation Index 2023, the surge in domestic travels that was induced by Covid restrictions continues with a staggering 92 per cent of respondents planning to explore domestic destinations. The survey, which took As the summer sizzles, Indians are pre

respondents planning to explore domestic destinations. The survey, which took responses of over 15,000 people across India via OYO app, also found that shorter trips and "staycations" of 1-3 days continue to be the top preference.

"The travel resurgence continues strong with 82 per cent Indians intending

Manali and Goa were the favourite hill and to the survey by OYO

to travel during this summer season. The to travel during this summer season. The Covid travel restriction induced trend of rediscovery of our own country's beauty also continues strong with a staggering 92 per cent planning to explore domestic destinations," OVO said in a statement.

As far as destinations are concerned, mountains are the clear choice this

"India's favourite mountain destina tion is Manali, followed by Kashmir, Mcleod Ganj, Ooty and Coorg. OYO hotels in Manali continue to see an uptick in demand assummer travel gains pace," the company said. On the other hand, Goa continues to be India's preferred choice for beaches, with 50 per cent people want-ing to travel there. "Demand for hotels in Goa has surged

"Themand for hotels in Goa has surged by more than 20 per cent compared to the same period last year. This was followed by Andaman Nicobar, Kerala, Pondicherry, and Gokarna," said the sur-vey conducted between May 7 and 14, 2023. 30YO said its survey also found that respondents showed a strong inclination towards exploring offbeat and lesser-known destinations.
